The 3-step process

# How to order

▶ Watch the video

Two ways in — submit online or call us. Either way the rest of the journey is the same.

## Two ways to start

- **Online:** Submit at **easymerch.life/start** or use our bulk wizard at **easymerch.life/draft/bulk-wizard**.
- **By phone or email:** Call **(907) 394-5510** or email **waldenbros2020@gmail.com**. We'll collect your details and write the proposal for you.

## The process

1. ### Tell us what you want
   Decoration method (printing or embroidery), garment style + color, decoration placement, sizes & quantities. Repeat for any additional styles or colors.

2. ### Review your proposal
   You'll get a proposal with mockups + pricing. Request edits if anything's off. **What you approve is what we produce.**

3. ### Approval = production
   Once approved, blank items get ordered and decoration starts. You'll get a pickup or shipping notification when it's done.

**Important**
**Never click Approve unless you actually approve.** If you need an edit, tell us first — we'll revise the proposal and resend.
