Ordering with us

See it before you order.

Your logo on your gear, right in your order.

Scan to start

1

Pick a style

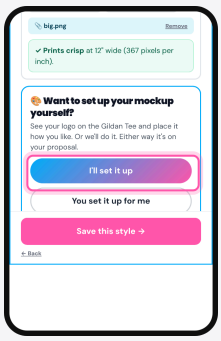

Tap See it with my logo, or Add this style to my order.

2

Upload your logo

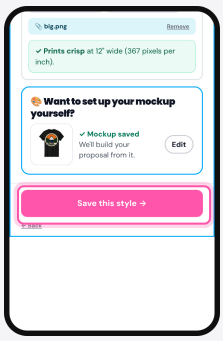

We check that it prints crisp.

3

Set it up yourself

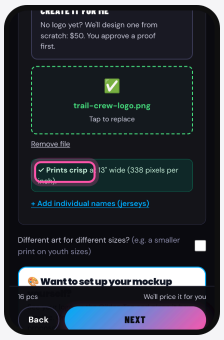

Or tap You set it up for me.

4

Save it

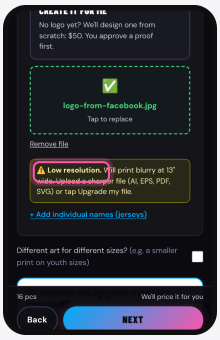

Tap Looks good. It goes on your quote.

5

On the order form

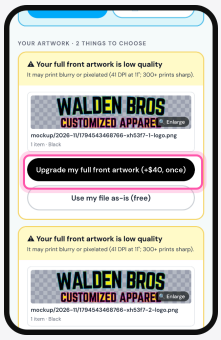

Same steps when you add your logo.

!

Blurry file?

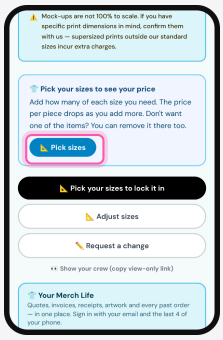

We'll tell you. Upload a sharper one.

6

Upgrade or as-is

Only asked if your file is blurry. $40 to upgrade.

7

Lock it in

Pick sizes. You see a proof first.

Good to know

Best files: AI, EPS, PDF or SVG. Photos and screenshots work too.

Embroidery? We stitch it, so file size doesn't matter.

Rather we set it up? Tap You set it up for me. It's free.
